CHRISTMAS PRESENCE

This holiday season, imagine Jesus coming into the world . . . in 2008. *Christmas Presence* is an innovative Nativity play that re-imagines the birth of Christ in a contemporary context.

[You'll experience God's love at Christmas from a fresh perspective as the angel Gabriel appears to Mary in a local diner, and a foreign ambassador brings Jesus gold, frankincense, and myrrh. Meanwhile, Mary and Joseph struggle to come to grips with their son's unique identity.]

Our church will host a performance on _____ (date) at _____ (time). Don't miss this opportunity to experience the birth of Jesus in a whole new light! [*Christmas Presence* is also an ideal time to invite friends to visit our church with you. For more information about the play, visit www.dramabygeorge.com/christmas.]
