LIVE PERFORMANCES · HANDS-ON WORKSHOPS

## STORIES ALIVE!

**Performance | Ages 3 and Up | \$300**

*Stories Alive!* is a fresh approach to the age-old tradition of storytelling. Classic and contemporary tales both spring to life as storyteller George Halitzka puts your students in the spotlight for a high-energy, interactive performance. George combines audience participation, compelling narratives, and a unique, dramatic style into one exciting program. During the show, he'll bring a wide range of stories vividly to life, from fairy tales with a modern twist to true stories from his experience. *Up to 100 students, 40 minutes.\**

## GOATS NAMED GRUFF

**Workshop | Ages 3 and Up | \$200**

Students will love becoming Little Goats, Medium-Sized Goats, Big Goats . . . and of course, Sneaky Trolls in this workshop based on "The Three Billy Goats Gruff"! As we act out the classic tale, kids will learn how actors use the Who, What, Where, and Why of a story to bring their performances to life. *Up to 30 students, 30-40 minutes.\**

## CIRCUS, CIRCUS

**Workshop | Ages 3 and Up | \$200**

Ever dreamed of joining the circus? Here's your chance! We'll practice "playing pretend" in a way that communicates clearly and expressively to an audience. Then we'll put on our very own circus, featuring clowns, lions, and monkeys! You'll learn to use your whole body to become the very best actor that you can be. *Up to 30 students, 30-40 minutes.\**

## THE LITTLE RED CHICKENS

**Workshop | Ages 3 and Up | \$200**

Get ready to rehearse and perform in your very own play -- in only one hour! First, you'll take on the character of an animal (like a cat, a dog, a chicken, or a pig). Then, we'll rehearse for your class performance of "The Little Red Chickens." Along the way, you'll build self-confidence and learn more about telling stories. *Up to 30 students, 30-40 minutes.\**

*\*Preschool-length versions of these programs (30-40 minutes) are available at the published price. Add \$50 for the longer (50-60 minutes) versions designed for school-age children.
